### **Data protection declaration**

I agree that

- the data required to process the proposal be stored and processed electronically by the University of Bremen, analysed for evaluative and statistical purposes and forwarded to reviewers and committees as part of the review and decision-making process.
- in the event of approval, the person and the institution (surname, first name, photo, university, URL) as well as information relevant to the content (e.g. title/topic, summary, keywords, subject classification, funding period) will be published on the website of the University of Bremen.

I am aware that I can object to the publication - also in part - after receiving the grant letter in electronic form from the Research Services - Unit 12 of the University of Bremen.

With my signature, I accept all of the above statements.

---

For the processing of the above-mentioned application, the signatures of all applicants listed above are required for the above-mentioned obligations. If there is more than one applicant, the signatures can be submitted jointly on one declaration on the proposal. Alternatively, each applicant may sign a copy of the declaration separately.
